*NOTE: Paint the plywood and stain the trim pieces before assembling.*

Start with a 48"x48" sheet of 1/2" plywood. This can be purchased as-is or cut from a larger piece.

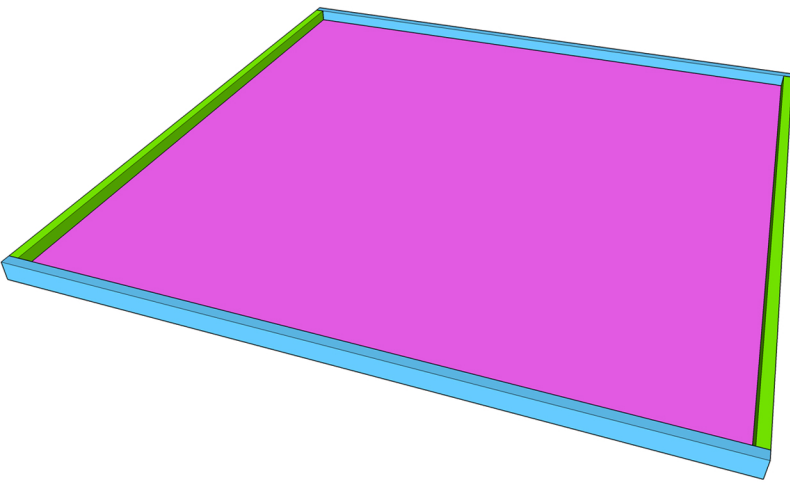

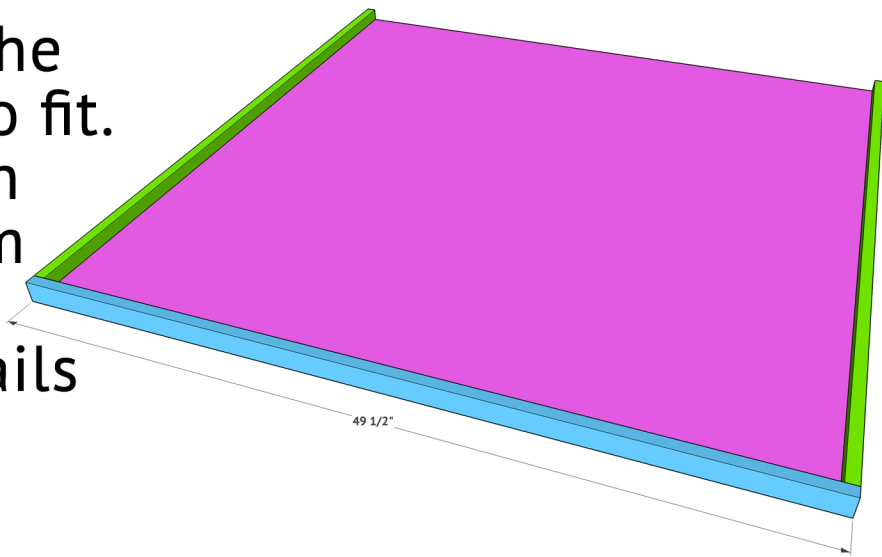

Measure and cut the side trim pieces to fit. Then attach them to the sides of the plywood with 1 1/4" nails and wood glue. The ends and back of the trim should be flush with the plywood.

Attach the other side trim piece with wood glue and 1 1/4" brad nails.

Measure and cut the bottom trim piece to fit. It should be flush with the side trim pieces. Attach with 1 1/4" brad nails and wood glue.
